

Labor Day Celebrations begin with family and friends gathering to pay tribute to the American worker. The first official Labor Day was held in NYC back on September 5, 1882. The day was set aside to recognize the accomplishments and contributions of city workers back then. For most of us this weekend is a reminder that summer is coming to an end so I would like to wish all of you a safe and enjoyable weekend. A very special Labor Day thank you to all of our dedicated staff at Town hall, at the Library and in our school districts. I would like to thank all our volunteers on the Rockaway Township Fire & Rescue Departments. Last but not least, To the Rockaway Township Police Department, thank you for keeping our families and community safe, you have my many thanks, my gratitude and my admiration.

I would like to remind all of you that our children will be starting another school year. I wish all the students a wonderful and successful year. Our children will be walking to school or standing at bus stops and school busses will be stopping to pick up or drop off our children. So please remember it is illegal speed through crosswalks or to pass a bus when they are stopped and lights are flashing. Please use caution when commuting during school hours.

Best Wishes

Mayor Michael Dachisen
