MEMORANDUM FOR FROG FALLS PATRONS

SUBJECT: FORCE PROTECTION, ANTI-TERRORISM AND SECURITY AWARENESS

1. Welcome to the 11th season at Frog Falls Aquatic Park! What an exciting year 2010 is shaping up to be. Our goal is to offer a family oriented, fun, recreational experience at Frog Falls. We have improved our handicapped parking area making it more accessible to the main entrance. A new menu at the snack bar will allow healthy daily food choices. Best of all we will offer Specialty Events for all ages throughout the summer season at Frog Falls.

2. As always, FMWR Patrons will experience a rigid inspection process as you enter Picatinny Arsenal for reasons of security, safety and the well being of each and every one of us. The inspections will continue throughout the summer season and will be adjusted as necessary for the protection of personnel, property and National Defense interests.

There are some adjustments in your daily routine that will help with the efficient and effective process of personal identification and vehicle inspection:

- a) Allow extra time in your trip for the inspection process.
- b) The Main gate on Parker Road, is the main entrance to Picatinny open 24 hours a day, (7) days a week.
- c) The Mt Hope Gate will be open seven (7) days a week until 9:30pm including holidays, The truck gate is authorized Monday thru Friday until 6:30pm and is closed on the weekends and holidays.
- d) Have personal identification ready (FMWR photo ID). Be sure your driver's license, registration and insurance paperwork are current.
- e) Have the proper windshield identification (FMWR sticker) affixed to the rear view mirror so it faces the front of the vehicle and therefore easier to identify by the Police.
- f) Upon entry to the facility FMWR Patrons' Drivers licenses will be scanned, for standing warrants.
- g) Remove clutter and contraband from the vehicles to speed the inspection process. Be aware that motor vehicle inspectors have the authority to confiscate any improper items.
- h) Guests must be either in your vehicle or immediately following you/your vehicle onto the installation.
- i) Guests will be issued a MWR AQUATIC PARK VEHICLE PASS for entry. The guest is responsible to return the VEHICLE PASS to the Police upon exiting the installation.

- j) Obey posted speed limits (unless otherwise posted, the speed limit is 25 MPH). Do not park your vehicle within 30 feet of any building and follow signs to the Aquatic Park (no sightseeing).
  - k) Do not talk on cell phones while operating a vehicle without the use of a hands free device.
  - l) Be courteous to the Police, guards, and inspectors.
  - m) Reminder: glass containers, alcoholic beverages and coolers (larger than a personal size) are not permitted at Frog Falls.
3. We appreciate your cooperation in this regard. While the preventive measures may be inconvenient, they are prudent and necessary for everyone's safety and protection. Failure to follow our security procedures will result in denied access to the installation.
4. Finally, we ask that you help us and be an active part of our collective eyes and ears by reporting suspicious looking people, vehicles or activities. You can report emergencies or suspicious activity to the Picatinny Police at (973) 724-6666. Again, we appreciate your support in making this summer safe for all.
