

# **Rockaway Township Firefighters Rewarded with a Special Treat. Home Made Cupcakes !**

After a fire damaged a neighbor's home, 9 year old Nick Kopich went over to the fire scene and asked a few Rockaway Township firefighters some questions. He was concerned about the fire, as he had thankfully never experienced an incident like this before.

Apparently he liked the answers he received, because he asked his mother, Cynthia Fulcinelli if he could thank them by baking some homemade cupcakes.

Mrs. Fulcinelli contacted Rockaway Township Fire Director Joe Mason and arrangements were made to have Nickie visit the White Meadow Lake Fire Station on a Sunday morning to deliver his gift.
