Re: Re-Organization Meeting

Mr. Jedynak:

I have received word that Ms. Smith, Mr. Palumbo, and Mr. Jackson have expressed their opinion that it would be beneficial for the citizens, Township Administration and employees to move the January 1, 2019 Council Meeting that you scheduled to a different date. Since 6 Council Members have already given their opinions that the date should be moved, I am withdrawing my request that you change the date, since the majority of the Council has spoken. I will post a message on the website along with this memo that the meeting is no longer being held on January 1, 2019.

I thank Council Members Friedlander, Sackett, Quinn, Smith, Palumbo and Jackson for having stepped up and acted on behalf of the Township.

Mayor Mike
