

MEMORIAL DAY 2019

150th ANNUAL PROGRAM

The Civil War Monument in the Presbyterian Cemetery was planned on May 30, 1869 when the people of Rockaway Township gathered at the Presbyterian Church to answer the call of Logan's Orders. They formed the Soldiers Association of Rockaway Township and set forth a goal to record the names of the deceased soldiers, to decorate the graves of the war dead, and to erect a monument to pay homage to those who were lost from the community. Each year for 22 years they gathered on the proposed spot of the monument and held a service, and then forming a procession they went to each of the graves and placed a flag, and "the freshest flowers of springtime."

In 1892, with a special tax that had received a unanimous vote by the community, the Soldiers Association raised \$3000.00 for the monument. They proposed that it be of the finest granite, and that it carry the names of the four battles that had the most importance to Rockaway Township. Gettysburg where 4 men died, Spotsylvania where 6 died, Petersburg where 3 died, and the Cumberland River where 19 were drowned.

The monument cost \$ 2933.00, excavating and grading was \$ 89.74. Even with a donation of \$20.00 the Soldiers Association had to ask the Township Committee for additional funds in the sum of \$ 2.74 to complete the project.

The monument was dedicated May 30, 1892 by the Soldiers Association; it was re-dedicated May 30, 1992 by the same Association that is now known as the Rockaway, Marcella and Denville Memorial Association.

The community still gathers at the monument to pay homage to their war dead.

**Headquarters Grand Army of the Republic

**May 5, 1868
General Order Number 11**

The 30th of May 1868, is designated for the purpose of strewing with flowers or otherwise decorating the graves of comrades who died in the defense of their country, and whose bodies lie in almost every city, village and hamlet churchyard in the land.

All the consecrated wealth and care that the nation can add to their adornment and security is but a fitting tribute to the memory of her slain defenders. Let no wanton foot tread rude on such hallowed ground. Let pleasant paths invite the comings and going of reverent visitors and fond mourners. Let no vandalism or avarice, or neglect, no ravage of time testify to the present or coming generations that we have forgotten as a people the cost of a free and undivided country.

If other eyes grow dull, and other hands slack and other hearts cold in the solemn trust, ours shall keep it well as long as the light and warmth of life remain to us. Let us then, at the time appointed, gather round their sacred remains and garland the passionless mounds above them with the choicest flowers of springtime. Let us raise above them the dear old flag they saved from dishonor; let us in their solemn presence renew our pledges to aid and assist those whom they have left among us...A sacred charge of a nation's gratitude, the soldiers widows and orphans.

It is the purpose of the Commander In Chief to inaugurate this observance with the hope that it will be kept up from year to year while a survivor of the war remains to honor the memory of his departed comrades.
