Good afternoon,

I hope this letter finds you all in good, healthy, spirits as we all deal with this unprecedented crisis of COVID – 19. I would like to inform you of the following information pertaining to your drinking water.

1. **ROCKAWAY TOWNSHIP WILL NOT SHUT THE WATER OFF FOR ANY REASON TO YOUR HOME OR BUISNESS DURING THIS CRISIS**
2. This unfortunately does not include the possibility of an Emergency water main break, at which time the employees of Rockaway Water Department will do everything in our power to keep water on as best we can during this Emergency repair.
3. Please know that the virus is NOT found in drinking water systems due to the disinfection process used to kill all bacteria in the water system. See the links on the Townships Water Page.
4. The dedicated employees continue to monitor and ensure that you are getting safe, clean drinking water.
5. Contact the Water Department at 973-983-2825 with any questions, Monday – Friday 8:30am – 4:30pm
6. **If you have an emergency or need immediate help contact the NON Emergency number for the police at 973-400-6610**
