Important Information

- Your pet must have a valid rabies vaccine. Rabies immunizations must be valid through November 1, 2021 for a 1-year license or November 1, 2023 for a 3-year license. For new licenses, please include proof of rabies and spay/neuter status. For renewals, include any proof of rabies vaccination and altering of animal if different from last year.
- NJDOH advises that boosting your pet for rabies prior to the expiration date (up to one year) is standard practice. If your veterinarian determines that the vaccine is contraindicated for your pet, the vet must document this by completing the NJDOH Certificate of Exemption Form VPH-28. A copy of this form should be submitted with your application.

- Licenses can also be renewed via SDL portal on town website at www.rockawaytownship.org.**

Please make checks payable to: Township of Rockaway

Paper applications can be mailed in or processed in person at the Health Department.

Rockaway Township Division of Health
