On a date, not yet determined, a public random selection drawing will be held. Each applicant will be notified of the date, time and location of the drawing. A representative from the Administrative Agent will be in attendance to witness the drawing. All of the numbers will be placed in a receptacle and pulled in a random order. The representative from the Administrative Agent along with a staff person from the development group will be responsible for recording the numbers in the order they are pulled in the lottery.
